PREFACE.

In issuing the Glasgow Post-Office Directory for 1909-1910, the Publishers beg to express their thanks for the liberal patronage bestowed on the work during the long period of Eighty-two years, and desire to state that as formerly no effort has been spared to render it as accurate and complete as possible. They, however, do not hold themselves responsible for any error or omission.

A Map of the Environs of Glasgow will be found at the beginning of the book. The Almanac, Tide Tables, Banks, &c., Statistics of the Population of the City and Suburbs, the Parliamentary and Municipal Voters for 1908-1909, with the Parliamentary Divisions of the City and Members of Parliament, also a description of the revised Municipal Wards, will be found in their former positions. To these have been added a list of the Conveners and Secretaries of the various Ward Committees. In the Streets Directory (pages 731 to 1054) the number affixed to the name of each street indicates the Municipal Ward in which such street is situated for electoral purposes. The numbers have been corrected in accordance with the new arrangement of the city wards. At pages 23 to 54 an Alphabetical List of Streets is given; as a handy guide to their situation the capital and small letters prefixed to each Street indicate its position on the Map, and the number affixed its registration district. The large Map, revised and brought up to date by Messrs. J. Bartholomew & Co., Edinburgh, is placed at the end of the Directory.

The various Suburban Districts around the City are given, as formerly, revised and corrected. The Burghs of Govan and Partick are incorporated with the General Directory.

In the Appendix will be found useful details regarding various Institutions and Public Offices in the City and Suburbs.

The printing has been done by Messrs. Aird & Coghill, Ltd., 24 Douglas Street, and the binding by Messrs. Gowans & Gray, Ltd., 58 Cadogan Street.

All communications on Directory business should be addressed to the Editor Post Office Directory, 207 Ingram Street, Glasgow.

SUGGESTION FOR TREATMENT OF

MACHINERY ILLUSTRATION

BY

F. F. & ARTHUR WILSON,

PRINTERS, GLASGOW.

P.T.O

Our Plate. What do you think of this Illustration Specimen? It is a good block, well printed, isn't it, and the surround-tint effective? ¶ Such pictures sell goods; silent travellers, all the time telling their tale, and without words. ¶ Your opponent may have his manufactures illustrated like this; can you afford to be content with something inferior? ¶ We are every day printing the class of work represented by "Our Plate." We will be pleased to do the same for you. ¶ If you have good blocks, in our hands all their possibilities will be brought out; if you desire good blocks we can guide you how best to attain such. ¶ If you would like to see what we have been doing for others, let us send you some samples for inspection.

Up-to-Date Stationery. We are not "good old-fashioned" Stationers. ¶ If you have tried such, and are tired of them, we shall be glad to hear from you. ¶ We "take charge" of your Stationery and let you get to your business. ¶ Having your Stationery right may not be THE important item, but it is one business worry less. ¶ We can save you that worry. ¶ Send for us and we will demonstrate the truth of our claim.
